PROPOSED RENEWAL OF EXISTING SHAREHOLDERS MANDATE
To: The Shareholders of PEB

Dear Sir/Madam,

PROPOSED RENEWAL OF EXISTING SHAREHOLDERS MANDATE

1. INTRODUCTION

At the Thirteenth AGM of the Company ("13th AGM") held on 23 May 2019, PEB obtained a mandate from its shareholders for PEB to enter into RRPT with Related Parties in the ordinary course of business based on commercial terms which are not more favourable to the Related Parties than those generally available to the public and which are necessary for the PEB Group’s day-to-day operations.

The authority conferred by the said mandate for RRPT shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM unless authority for its renewal is obtained from the shareholders of PEB at the forthcoming AGM.

On 12 March 2020, the Company announced to Bursa Securities that the Company intends to propose to seek for approval of its shareholders to undertake the Proposed Renewal of Existing Shareholders Mandate at the forthcoming 14th AGM, which will be held on a fully virtual basis at the Broadcast Venue at Meeting Room, Level 3, Menara OBYU, 4 Jalan PJU 8/8A, Bandar Damansara Perdana, 47820 Petaling Jaya, Selangor Darul Ehsan on Friday, 21 August 2020 at 11:00 a.m.

THE PURPOSE OF THIS CIRCULAR/STATEMENT IS TO PROVIDE YOU WITH THE RELEVANT INFORMATION AND TO EXPLAIN THE DETAILS OF THE PROPOSED RENEWAL OF EXISTING SHAREHOLDERS MANDATE TOGETHER WITH THE RECOMMENDATION OF YOUR BOARD TO SEEK YOUR APPROVAL FOR THE RESOLUTION IN RELATION TO THE PROPOSED RENEWAL OF EXISTING SHAREHOLDERS MANDATE TO BE TABLED AT THE FORTHCOMING 14TH AGM. THE NOTICE OF THE 14TH AGM TOGETHER WITH THE FORM OF PROXY AND ADMINISTRATIVE GUIDE ARE SET OUT IN THE COMPANY’S ANNUAL REPORT 2019 AVAILABLE ON THE COMPANY’S WEBSITE AT WWW.PETRAENERGY.COM.MY.

SHAREHOLDERS OF PEB ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS CIRCULAR/STATEMENT TOGETHER WITH THE APPENDICES CONTAINED HEREIN BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF EXISTING SHAREHOLDERS MANDATE AT THE FORTHCOMING 14TH AGM.
2. DETAILS OF THE PROPOSED RENEWAL OF EXISTING SHAREHOLDERS MANDATE

2.1 Provisions under the Listing Requirements

Pursuant to Paragraph 10.09(2) of the Listing Requirements, a listed issuer may seek a mandate from its shareholders for RRPT entered into by the listed issuer or its subsidiaries, which involves the interest, direct, or indirect, of a related party, and which are necessary for the day-to-day operations of a listed issuer or its subsidiaries, subject to, inter-alia, the following:-

a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;

b) the shareholder mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholder mandate during the financial year where the aggregate value is equal to or more than the following threshold prescribed:-

i. the consideration, value of the assets, capital outlay or costs of the RRPT is RM1 million or more; or

ii. the percentage ratio of such RRPT is 1% or more, whichever is the higher;

c) the issuance of a circular to shareholders, which shall include information as may be prescribed by Bursa Securities and which shall be submitted to Bursa Securities together with a checklist showing compliance with such information;

d) in a meeting to obtain shareholder mandate, the interested director, interested major shareholder or interested person connected with a director or major shareholder, and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder, must not vote on the resolution to approve the shareholder mandate. An interested director or interested major shareholder must ensure that persons connected with him abstain from voting on the resolution to seek the shareholder mandate; and

e) the listed issuer immediately announces to Bursa Securities when the actual value of a RRPT entered into by the listed issuer, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and the announcement must include the information as may be prescribed by Bursa Securities.

2.2 Background

The RRPT are detailed in item 2.5 below. It is likely that such transaction will occur with some degree of frequency and could arise at any time.

In view of the frequent nature of such RRPT, the Board is seeking a proposed renewal of the existing shareholders mandate for the PEB Group to enter into such transactions in the normal course of business with the classes of Related Parties set out in item 2.4 below. Such transaction is entered into on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders. The RRPT are also subject to the review procedures set out in item 5 below.

The Proposed Renewal of Existing Shareholders Mandate is subject to annual renewal. The authority, if approved by the shareholders at the forthcoming 14th AGM, shall continue to be in force until:-

a) the conclusion of the next AGM following the 14th AGM at which such mandate was passed, at which time it will lapse, unless by a resolution passed at the next AGM following the 14th AGM, the authority is renewed;

b) the expiration of the period within which the next AGM following the 14th AGM after that date it is required to be held pursuant to Section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or

c) revoked or varied by resolution passed by the shareholders in general meeting before the next AGM, whichever is the earlier.

* Please refer to item 2.4 above for details of the principal activities and relationship.

^ The estimated aggregate value of transactions from the date of the 13th AGM to the date of the 14th AGM was based on estimation prepared by the Management for the period under consideration.

@ The actual value transacted of each of the above transactions from the date on which the existing mandate was obtained on 23 May 2019 up to the LPD did not exceed the estimated value of 10% or more.

# The estimated aggregate value of transaction is based on the prevailing rates within the vicinity/prices obtained from the Related Parties and past transactions and/or Management estimates on the assumption that current level of transactions will continue and all external conditions remain unchanged or may vary and are subject to changes. The prices or rates and its terms and conditions however, may vary and subject to changes depending on market forces.

2.6 Outstanding RRPT Receivables

There is no amount due and owing to the PEB Group by its Related Parties pursuant to the RRPT, and hence, the disclosures as required under Paragraphs 16A and 16B in Annexure PN 12-A of the Listing Requirements, are not applicable.
3. RATIONALE FOR THE RRPT AND BENEFITS TO THE PEB GROUP

PEB is renting the office space at Menara OBYU, Jalan PJU 8/8A, Damansara Perdana, 47820 Petaling Jaya, Selangor Darul Ehsan (“Demised Premise”) as its head office in West Malaysia. The Demised Premise is strategically located in town area with ample car parks and facilities within the vicinity.

The RRPT with the Related Parties are all conducted in the ordinary course of business and are recurring transactions of a revenue and trading in nature which are necessary for day-to-day operations. The RRPT may be constrained by time-sensitive, frequent nature and confidentiality of such transactions, and it may be impractical to seek shareholders’ approval on a case-by-case basis before entering into the RRPT. As such, the Board of Directors is seeking a shareholders’ mandate pursuant to Paragraph 10.09 of the Listing Requirements for the RRPT described in Section 2.4 above to allow the PEB Group to enter into such RRPT which will be made or made at an arm's length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company and which are not prejudicial to the interest of the shareholders.

Transacting with the Related Parties is expected to be beneficial to the PEB Group as it would facilitate the business needs on the best possible terms and conditions. The rental rate for the Demised Premise is in tandem with rates within the vicinity. With this, the RRPT would allow the PEB Group to better manage its operations efficiently.

Obtaining a renewal of existing shareholders mandate for the RRPT on an annual basis would facilitate the PEB Group to continue transacting with the Related Parties without having to make multiple announcements and/or convene a separate general meeting to seek shareholders’ approval or mandate. This will avoid the need to convene a separate general meetings on an ad hoc basis, which would incur additional costs, and consequently, improve corporate administration efficiency and allow resources and time to be channelled towards attaining other corporate objectives.

4. METHODS OR PROCEDURES FOR DETERMINATION OF TRANSACTION PRICE AND TERMS OF THE RRPT CONTEMPLATED UNDER THE PROPOSED RENEWAL OF EXISTING SHAREHOLDERS MANDATE

The RRPT will only be entered into after taking into account the pricing and other related factors. The prices will be determined by market forces similar to those prices for transactions with unrelated third parties, and references will be made to surveys and/or valuations to be undertaken to gather information on market prices where applicable.

The terms and conditions of the RRPT will be determined by the Related Parties' usual commercial terms or in accordance with applicable market norm.

The Audit Committee periodically reviews the procedures set to monitor related party transactions to ensure that these transactions are carried out on normal commercial terms not more favourable to the Related Party than those generally available to the public and are not detrimental to the minority shareholders of the Company.

All reviews by the Audit Committee are reported to the Board for further action. In its review and approval of such transactions, the Audit Committee may, as it deems fit, request for additional information pertaining to the transactions from independent sources or professionals.

5. THRESHOLDS FOR THE APPROVAL OF RRPT WITHIN THE PEB GROUP AND THE DISCLOSURE, REVIEW, INTERNAL CONTROL AND APPROVAL PROCEDURES FOR THE RRPT

The PEB Group has established guidelines and procedures to ensure that the RRPT are undertaken on an arms’ length basis and on normal commercial terms consistent with the usual business practices and policies and on transaction prices and terms, which are not more favourable to the Related Parties than those available to third parties/public and are not to the detriment of the minority shareholders.

The PEB Group has structured and put in place the following disclosure, review, internal control and approval procedures for the RRPT:

(i) A list of Related Parties is circulated within the PEB Group and all Directors and management are notified that all RRPT are required to be undertaken on an arms’ length basis and on normal commercial terms and not more favourable than those generally available to third parties or the public and are not to the detriment of the minority shareholders.
(ii) Mandated RRPT would be tabled to the Audit Committee for review on a quarterly basis. In its review of such transactions, the Audit Committee may, as it deems fit, request for additional information pertaining to transactions from independent sources. Any mandated RRPT exceeding the respective mandated aggregate transaction value as given in item 2.5 above will require approval of the Audit Committee and the Board. Any deviation of 10% or more exceeding the mandated value will be announced to Bursa Securities in addition to the review and approval by the Audit Committee and the Board.

(iii) All mandated RRPT below the respective mandated aggregate transaction value will be reviewed by personnel of at least managerial level, provided always that such personnel has no interest in the transaction. Approval of the RRPT needs to adhere to the authorisation limit of the Group at all instances.

(iv) RRPT within the PEB Group which are not under the shareholder mandate shall be reviewed by the Chief Financial Officer and approved by the Audit Committee and the Board before the transactions are entered into.

(v) Records shall be maintained to capture all RRPT which are entered into pursuant to the Proposed Renewal of Existing Shareholders Mandate to ensure that relevant approvals have been obtained and review procedures are adhered to. Details of all RRPT made during the financial year shall be disclosed in the annual report in accordance with Paragraph 3.1.5 of Practice Note 12 of the Listing Requirements, which includes information on the breakdown of the aggregate value of the RRPT made during the financial year, type of RRPT made and the names of the Related Parties involved in each type of the RRPT made and their relationship with PEB.

(vi) The Audit Committee shall continuously review the adequacy and appropriateness of the procedures, as and when required, with authority to sub-delegate to individuals or committee(s) within the Company as they deem appropriate.

(vii) The annual internal audit plan shall incorporate a review of all RRPT to ensure that relevant approvals have been obtained and review procedures are adhered to. The Audit Committee shall review the internal audit reports to ascertain that the procedures established to monitor RRPT have been complied with.

(viii) A yearly review on the RRPT would be carried out prior to seeking a renewal of the shareholders mandate for the RRPT, if required, to ensure that the RRPT will be undertaken on an arms’ length basis and on normal commercial terms and are on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

(ix) The Board and Audit Committee shall have overall responsibility for the determination of the review procedures. If a member of the Board or Audit Committee has an interest in the transaction concerned, he/she will abstain from any deliberation and decision making by the Board or Audit Committee in respect of the said transaction.

All the department concerned in the PEB Group would be notified and advised of the RRPT and the relevant compliances with the Listing Requirements. They are also advised that all transactions undertaken by the PEB Group regardless whether with Related Parties or unrelated third parties should be undertaken on an arms’ length basis and on normal commercial terms and on terms not more favourable to any parties than those generally available to the public and are not detrimental to the minority shareholders of PEB.

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY
To: The Shareholders of PEB

Dear Sir/Madam,

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

The Company had at the 13th AGM held on 23 May 2019, obtained its shareholders’ approval on the proposed renewal of share buy-back exercise to purchase up to 10% of the total number of issued shares in the ordinary share capital of the Company at any point of time through Bursa Securities.

In accordance with the Listing Requirements governing the purchase of a listed issuer's own shares by the listed issuer itself, the aforesaid approval will continue to be in force until the conclusion of the forthcoming 14th AGM of the Company, which will be held on at 11:00 a.m.

The Company had also on 12 March 2020, announced that the Board proposes to seek the shareholders’ approval for the Proposed Renewal of Share Buy-Back Authority.

THE PURPOSE OF THIS CIRCULAR/STATEMENT IS TO PROVIDE YOU WITH THE RELEVANT INFORMATION AND TO EXPLAIN THE DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY TOGETHER WITH THE RECOMMENDATION OF YOUR BOARD TO SEEK YOUR APPROVAL FOR THE RESOLUTION IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY TO BE TABLED AT THE FORTHCOMING 14th AGM. THE NOTICE OF THE 14th AGM TOGETHER WITH THE FORM OF PROXY AND ADMINISTRATIVE GUIDE ARE SET OUT IN THE COMPANY’S ANNUAL REPORT 2019 AVAILABLE ON THE COMPANY’S WEBSITE AT WWW.PETRAENERGY.COM.MY.

SHAREHOLDERS OF PEB ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS CIRCULAR/STATEMENT TOGETHER WITH THE APPENDICES CONTAINED HEREIN BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY AT THE FORTHCOMING 14TH AGM.
2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Board proposes to seek approval from the shareholders for a renewal of authorisation to enable the Company to continue to purchase up to 10% of the total number of issued shares in the ordinary share capital of the Company as quoted on Bursa Securities at any point of time.

As at LPD, the total number of issued shares in the ordinary share capital of the Company stood at 321,750,000 ordinary shares (inclusive of 807,800 ordinary shares already purchased and retained as Treasury Shares).

Under the existing share buy-back authority, the maximum number of Shares that may be bought back by the Company is up to 10% of the total number of issued shares in the ordinary share capital which is 32,175,000 shares (inclusive of 807,800 ordinary shares already purchased and retained as Treasury Shares).

The Proposed Renewal of Share Buy-Back Authority will be effective upon the passing of the ordinary resolution at the forthcoming 14th AGM of the Company and will continue to be in force until:-

a) the conclusion of the next AGM of the Company following the general meeting at which such resolution was passed, at which time it will lapse unless by an ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions;

b) the expiration of the period within which the next AGM after that date is required by law to be held; or

c) revoked or varied by an ordinary resolution passed by the shareholders at a general meeting, whichever occurs first.

Pursuant to Paragraph 12.17 of the Listing Requirements, the Company may only purchase its own shares at a price which is not more than 15% above the weighted average market price of the PEB Shares for the past five (5) market days immediately preceding the date of purchase.

In the case of a resale or transfer of treasury shares, the Company may only resell or transfer the PEB Shares pursuant to Section 127(7) of the Act at:

a) a price which is not less than the weighted average market price of the PEB Shares for the past five (5) market days immediately prior to the date of resale or transfer; or

b) a discounted price of not more than 5% to the weighted average market price of the PEB Shares for the past five (5) market days immediately prior to the date of resale or transfer provided that:-

i) the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and

ii) the resale or transfer price is not less than the cost of purchase of the PEB Shares being resold or transferred.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority will enable the PEB Group to utilise any of its surplus financial resources, which is not immediately required for other uses, to purchase the PEB Shares. The Company may be able to stabilise the supply and demand of the PEB Shares in the open market and thereby support its fundamental values.

Further, the increase in EPS, if any, arising from the Proposed Renewal of Share Buy-Back Authority is expected to benefit the shareholders of the Company and carry positive impact on the market price of the Company.

The Purchased Shares can be held as treasury shares and resold or transferred on Bursa Securities with the intention of realising a potential gain without affecting the total number of issued shares in the ordinary share capital of the Company. Should any treasury shares be distributed as share dividends, this would serve to reward the shareholders of the Company.
4. RETAINED PROFITS

In accordance with the Listing Requirements, the total maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority must be made wholly out of the Company’s retained profits only based on the latest audited and unaudited financial statements. Therefore, the Board proposes that the maximum amount of funds to be utilised for any purchase of the PEB Shares shall not exceed the aggregate of the Company’s said retained profits of RM54,216,000 based on the Audited Financial Statements for the FYE 31 December 2019, which is the latest published financial statements of the Company.

5. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

Potential advantages

- where the Directors resolve to cancel the Shares so purchased, the Company expects to enhance the earnings of the Group as a result of the reduction in the issued share capital of the Company thereby enabling long term and genuine investors to enjoy any potential corresponding increase in the value of their investments in the Company;
- As permitted under Section 127 of the Act, where the Shares bought back are retained as Treasury Shares, the Director would have an option to distribute these Shares as dividends to reward shareholders; and
- the Company may be able to reduce any unwarranted volatility of its Shares and assist to stabilize the supply, demand and price of its Shares in the open market, thereby supporting the fundamental value of its Shares.

Potential disadvantages

- the Proposed Renewal of Share Buy-Back Authority, if implemented will reduce the financial resources of the Group. This may result in the Group having to forego future investment opportunities and/or any income that may derived from the deposit of such funds in interest bearing instruments. The Proposed Renewal of Share Buy Back Authority may result in a reduction of financial resources available for distribution in the form of cash dividends to the shareholders; and
- in the event that the Proposed Renewal of Share Buy-Back Authority is funded by bank borrowings, the Company’s net cash flow may decline to the extent of the interest costs associated with such borrowings.

However, this disadvantage is mitigated by the prospect that the financial resources of the Group may increase, pursuant to the resale of the Purchased Shares held as Treasury Shares at prices higher than the purchase price.

The Proposed Renewal of Share Buy-Back Authority is not expected to cause any potential material disadvantage to the Company or its shareholders as any share buy-back exercise will be undertaken only after in-depth consideration of the financial resources of the Company and of the resultant impact of its shareholders.

The Directors, in exercising any decision on the Proposed Renewal of Share Buy-Back Authority and in subsequent resale of Treasury Shares on Bursa Securities, if any, will be mindful of the interests of the Company and its shareholders. It will be implemented only after due consideration of the financial resources of the Group and the resultant impact on the shareholders of the Company.

6. SOURCE OF FUNDS

The amount allocated for the share buy-back would be financed by internally generated funds and/or bank borrowings.

In the event that the Company decides to utilise external borrowings to finance the share buy-back, the Board will ensure that the Company has sufficient funds to repay the external borrowings and such repayment will not have a material effect on the Company’s cash flow, operations and financial positions.
7. **DIRECTORS’ AND SUBSTANTIAL/MAJOR SHAREHOLDERS’ SHAREHOLDINGS**

**(b)** Deemed interested by virtue of its direct interest in Wasco Energy Ltd pursuant to Section 8 of the Act.

**(d)** Deemed interested by virtue of their respective indirect interests in Wah Seong Corporation Berhad pursuant to Section 8 of the Act.

* assuming that 32,175,000 Shares, being the maximum number of Shares representing up to 10% of the total number of issued shares that may be bought back by the Company, are bought back

Save for the resulting increase in percentage shareholdings as a consequence of the share buy-back, none of the Directors, Substantial/Major Shareholders or persons connected to them has any interest, direct or indirect, in the share buy-back or the resale of treasury shares, if any.
8. **PUBLIC SHAREHOLDINGS SPREAD**

Pursuant to Paragraph 8.02(1) of the Listing Requirements, a listed issuer must ensure that at least 25% of its total listed shares (excluding Treasury Shares) are in the hands of public shareholders ("Required Public Shareholdings Spread").

As at LPD, the public shareholders of the Company hold 80,222,388 PEB Shares, representing 25.00% of the share capital of the Company.

The Board will ensure that prior to and after any share buy-back exercise, the Required Public Shareholdings Spread of at least 25% is maintained at all times.

9. **IMPLICATION OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY RELATING TO THE CODE**

Based on the shareholdings of the Substantial/Major Shareholders of the Company as at LPD and assuming the purchase of the Company’s own shares is carried out in full, the share buy-back exercise will trigger an obligation to undertake a mandatory general offer under the Code. The effects of the share buy-back on PEB’s Directors’ and Substantial/Major Shareholders’ shareholdings in the Company are set out in Section 7.0 of this Statement.

In the event the number of PEB Shares bought back subsequent to the date of this Statement would result in any Substantial/Major Shareholder(s) and/or parties acting in concert with them triggering the Code, such Substantial/Major Shareholder(s) and/or parties acting in concert may consider seeking a waiver under the Code.

10. **EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

On the assumption that the share buy-back is carried out in full, the effects of the Proposed Renewal of Share Buy-Back Authority on the share capital, NA, working capital and EPS of the Company are set out below:

a) **Share Capital**

The effects of the Proposed Renewal of Share Buy-Back Authority on the share capital of the Company will depend on the intention of the Board as to the treatment of the Shares purchased.

If the Shares so purchased are retained as treasury shares, the issued ordinary share capital of the Company will not be reduced but the rights attaching to the treasury shares as to voting, dividends and participation in other distributions or otherwise will be suspended. While these Shares remain as treasury shares, the Act prohibits the taking into account of such Shares in calculating the number of percentage of Shares for a purpose whatsoever including substantial shareholdings, takeovers, notices, requisitioning of meetings, quorum for meetings and the result of votes on resolutions.

If all the Shares so purchased are cancelled, it will result in a reduction on the total number of issued shares in the ordinary capital of the Company as shown in the table below:

<table>
<thead>
<tr>
<th>No. of Shares</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Share capital as at LPD</td>
<td>321,750,000</td>
</tr>
<tr>
<td>Less: Treasury shares cancelled</td>
<td>(32,175,000)</td>
</tr>
<tr>
<td>Resultant share capital</td>
<td>289,575,000</td>
</tr>
</tbody>
</table>

b) **NA**

The effect of the Proposed Renewal of Share Buy-Back Authority on the consolidated NA of the PEB Group is subject to the number of Shares purchased, purchase price of the Shares, the effective funding cost, if any, and the subsequent treatment of the Shares so purchased.

The NA of the PEB Group would decrease if the Shares bought back are cancelled. The Proposed Renewal of Share Buy-Back Authority will reduce the consolidated NA per Share if the purchase price exceeds the consolidated NA per Share at the time of purchase. However, the consolidated NA per Share will increase if the purchase price is less than the consolidated NA per Share at the time of purchase.

The consolidated NA of the PEB Group would decrease by the cost of the treasury shares due to the requirement for treasury shares to be carried at cost and be offset against equity if the Shares bought back are retained as treasury shares.
Should the Shares so purchased be held as treasury shares and later resold, the consolidated NA per Share of the PEB Group will increase if the Company realise a gain from the resale, and vice versa.

c) Working Capital

The Proposed Renewal of Share Buy-Back Authority will reduce the working capital of the PEB Group, the quantum of which depends on, amongst others, the number of Shares eventually purchased and the purchase price of the Shares. The impact on the cash flow of the Company and the Group will depend on the number of Shares eventually purchased and the purchase prices of the Shares.

However, the cash flow or working capital position of the Company will be restored if the purchased PEB Shares are resold at least at the purchase price.

d) EPS

Depending on the number of Shares purchased, purchase price of Shares and the effective cost as well as the opportunity cost of funding the Shares, the Proposed Renewal of Share Buy-Back Authority may increase the EPS of the PEB Group. Similarly, on the assumption that the Shares so purchased are treated as treasury shares and subsequently resold, the extent of the effect to the earnings of the PEB Group will depend on the actual selling price, the number of treasury shares resold and the effective gain or interest savings arising.

Any cancellation of Shares so purchased is expected to increase the EPS of the Company and the PEB Group due to the reduced number of Shares in issue.

11. PURCHASE, RESALE AND CANCELLATION OF SHARES MADE PURSUANT TO THE EXISTING AUTHORITY

The Company had not purchased, resold or cancelled any shares in the preceding twelve (12) months.

12. TREASURY SHARES, RESALE, TRANSFER AND CANCELLATION OF TREASURY SHARES

As at the LPD, the Company holds 807,800 Shares as Treasury Shares. There was no resale, transfer and cancellation of treasury shares made in the preceding twelve (12) months.

13. HISTORICAL SHARE PRICES

The monthly highest and lowest prices of shares as traded on Bursa Securities for the preceding twelve (12) months from June 2019 to May 2020 are as follows:-
