

PRESS STATEMENT

PETRA ENERGY INTRODUCES RECENT MANAGEMENT APPOINTEES

New appointees to strengthen PEB's business and operational processes in efforts to tap on current market upswing of the oil & gas industry

PETALING JAYA, 11 JANUARY 2012 – Integrated oil & gas brown field services provider, Petra Energy Berhad (“Petra Energy”), is pleased to announce additions to its management line-up with the appointments of Dato’ Anthony Fridauz Bujang as Chief Executive Officer; Mr. Florentius Henry Toyad as Director of Operations; En. Mohamad Zaidee bin Abang Hipni as Chief Financial Officer; En. Saperi Rambli as Senior General Manager, Corporate Communications, Branding & Services; En. Mohamed Azahari bin Jantan as Head of Contract & Commercial; En. Mohamad Subky Bustari as General Manager Group Operations Planning; En. Abdullah Hashim as Senior Manager Internal Audit and Mr. Lee Hung Sang as Technical Operations Manager.

The appointments of the experienced industry professionals, who have been tasked to oversee the business expansion, operational, financial and branding aspects of Petra Energy, are timely given the current market upswing of the oil & gas industry. With the aim of achieving quick turnaround of Petra Energy and enhance its position as a leading and preferred oil & gas services provider in the country.

Dato’ Anthony Firdauz Bujang, Chief Executive Officer

Dato’ Anthony Firdauz Bujang, is well experienced in fields of banking, communications and the oil & gas industry. With some 29 years of experience, including nine years with an oil & gas major in the country, Dato’ Anthony played a pivotal role in the successful business turn-around of his previous engagements, whilst achieving bottom-line performance and enhancing shareholder value.

Dato’ Anthony holds a Bachelor in Economics from University of Malaya and an Executive MBA from the University of Berne, Switzerland. Prior to joining Petra Energy, he was Chief Executive Officer and Executive Director of The New Straits Times Press (Malaysia) Berhad (NSTP) since 2008. During his tenure with NSTP, the Company saw an overall improvement in performance, revenue and profitability.

In 2000, Dato’ Anthony joined TV3 and was later appointed its Director of Operations (in 2005) until his appointment as Chief Executive officer at NTV7 and subsequently NSTP in 2008. He was instrumental in the successful turn-around and revitalisation of TV3.

Dato’ Anthony’s career in oil & gas spans over nine years with Shell Malaysia upstream which includes a stint with Shell Gabon, West Africa as Head Strategy and Planning - Commercial Services.

PETRA ENERGY

Mr. Florentius Henry Toyad, Director of Operations

Mr. Henry Toyad, with over 25 years of operational experience in oil & gas and specializing in facilities engineering and project management, has hands-on knowledge of the full range of activities required to develop a typical Exploration & Production (E&P) asset and field operations & maintenance services.

While with the Shell Malaysia upstream business for over 19 years, he held several senior technical and managerial positions at various locations in Malaysia, South Korea, Aberdeen and Scotland. His previous engagements included Head of Operations Maintenance for Shell Malaysia upstream and Project Manager for some of its major projects. He also played a significant role in Front-end Engineering, Operational, Risk Management and Business Process Re-engineering.

He was also a consultant on Field Engineering, Project Management, Maintenance & Operations and Health Safety Environment & Risk Management, and has consulted (over the past five years) a variety of clients in the oil and gas industry, conducting E&P business development and developing project management systems for clients in the ASEAN regions i.e. Malaysia, Brunei, Indonesia, Korea, Mongolia, Japan and China.

Mr. Henry Toyad is a registered Engineer with the Board of Engineers, Malaysia, a member of the Institute of Engineers (Malaysia) and a member of the Society of Petroleum Engineers. He holds a Bachelors Degree of Engineering (Civil) Hons, from the University of Malaya (1981) and Harvard Business Management Development Program (2002).

En. Mohamad Zaidee bin Abang Hipni, Chief Financial Officer

Petra Energy recently announced the appointment of its Chief Financial Officer, En. Mohamad Zaidee bin Abang Hipni, a Bachelor of Accounting graduate from the University of Liverpool (UK) in 1993. He brings with him 17 years of accounting/financial experience from various organisations.

Prior to his appointment at Petra Energy, he was Group Executive Director, Corporate & Functions at OBYU Holdings Sdn Bhd where he played the role of sector head to provide corporate planning & advisory, finance, secretarial & legal, human resource, information & communications technology and government risk & compliance services. His other positions at OBYU Holdings Sdn Bhd were Group Corporate Affairs Manager and Group General Manager.

En. Zaidee started his career at Ernst & Young. He is a Fellow of the Association of Chartered Certified Accountants United Kingdom and a Chartered Accountant of the Malaysian Institute of Accountants.

En. Saperi Rambli, Senior General Manager Corporate Communications, Branding & Services

En. Saperi Rambli, holds a Bachelor's Degree in Mass Communications (majoring in Public Relations). His career, spanning over 30 years, began in Shell Malaysia Upstream where he held several management & specialist positions in Public Affairs. Prior to his appointment at Petra Energy, he was Head of the Corporate Affairs for Shell Malaysia Upstream acquiring vast experience in public affairs, government relations, issues/crisis management, corporate social responsibility, social performance and media relations amongst others.

He also served at Shell International Exploration & Production based at the Hague, Netherlands where he held the position of Corporate Affairs Advisor to Shell's E&P business directorate for Europe & North America. His other positions with Shell were Senior Advisor, Social Investment and External Relations; Manager, Issues & Crisis Management. He was also responsible for the start-up of Shell Malaysia's Corporate Affairs office in Kuching, Sarawak, to focus on enhancing relations with the state government and overseeing corporate affairs functions for Shell's E&P business in Sarawak.

His final four years at Shell was dedicated to supporting and advising on Social Performance for Shell Malaysia's Deepwater Projects Ventures and Shell Asia Pacific Region. En. Saperi brings with him a rich array of Corporate Affairs experience and knowledge and a wide spectrum of petroleum industry network that would undoubtedly add value to Petra Energy's management team.

En. Mohamed Azahari bin Jantan, Head, Contract & Commercial

En. Mohamed Azahari specializes in contracts negotiations and claims risk management. He developed a career, spanning over 18 years, in the oil & gas, IT, telecommunications, aviation, facilities management, shipping, media, mining & bio-technology industries.

Prior to his appointment at Petra Energy, he was a Principal Consultant-Contract Management at DiGi Telecommunications Sdn Bhd where he provided advisory services on pre and post contract management, commercial due diligence, change management and business process improvements. His previous engagements included Senior Manager, Legal Project & Contract, Sapura Technologies Bhd (2003) and Commercial Director, Asia Pacific, Acision Sdn Bhd (2008).

He graduated with a Bachelor of Law degree from the University of Brunel, West London in 1993. En. Azahari is also a member of the Chartered Institute of Arbitrators, UK and a member of the International Association of Contract and Commercial Managers.

Mohamad Subky bin Bustari, General Manager Group Operations Planning

Mohamad Subky bin Bustari, holds a Bachelor of Arts and Commerce majoring in Asian Studies and Commerce from Curtin University of Technology, Western Australia. His areas of expertise are in business planning, enterprise information management, market intelligence, business requirement studies and policies & procedures.

He started his career with Deloitte Consulting Malaysia and subsequently held positions in the construction and oil and gas (upstream and marine support services) industries.

En. Abdullah Hashim, Senior Manager Internal Audit

En. Abdullah Hashim, brings with him 10 years of internal audit experience from various industries such as telecommunications, transportation and construction. He holds a Bachelor of Accounting (Hons) Degree from Univeristy of Malaysia (1995) and a Master of Business Administration (MBA) from London South Bank University, UK (2007).

Prior to joining Petra Energy, En. Abdullah Hashim was Chief Internal Auditor at Syarikat Prasarana Negara Berhad. Over the course of his career, he also held several senior internal audit positions at UEM Group, PLUS Expressways Berhad and TM Berhad.

His areas of expertise, amongst others, include management of the internal audit function for public listed companies, financial management and operations management.

He is a Chartered Accountant (Malaysia) registered with the Malaysian Institute of Accountants and also an Associate Member of the Institute of Internal Auditors Malaysia (IIAM).

Mr. Lee Hung Sang, Technical Operations Manager

Mr. Lee Hung Sang, whose career spans over 30 years, holds a B.Sc (Hons) in Mechanical Engineering. He brings with him a wealth of knowledge in project management and consultancy.

Prior to his appointment at Petra Energy, he was the Managing Director & Project Manager at Cergas Sungguh Sdn Bhd.

He also spent ten years at Shell Malaysia upstream where he held several senior positions and played a significant role in some of the oil major's key projects.

PETRA ENERGY BERHAD (718388-H)

9th Floor, Surian Tower, 1, Jalan PJU 7/3, Mutiara Damansara, 47810 Petaling Jaya

PETRA ENERGY

Mr. Lee Hung Sang has, over the years, acquired vast experience in fabrication, shipyard, heavy lifting, logistics, pipeline, maintenance, construction, hook-up, refurbishment, revamp and commissioning and related oil & gas services.

He began his career in 1981 at the Royal Malaysian Navy. In 1985 he assumed the role of Lieutenant Commander of the Royal Malaysian Navy, and held this position until 1988. He is also a Registered Professional Engineer (P Eng) Malaysia; a Fellow of The Institute of Engineers (MIEM) Malaysia; a Registered Chartered Engineer (C Eng) England and a Fellow of the Institute of Marine Engineers (MIMarE) England.

The new appointees to the management line-up are part of Petra Energy's Transformation Plan. The Group is optimistic that the new appointees will strengthen the Group's management line-up, which augurs well for its long term growth aspirations, would enhance customer satisfaction, improve bottom-line and increase shareholder value. Coupled by the current market upswing, the Group is driven to increasing its market presence in both onshore and offshore brown field operations and will continue to maintain its pursuit of prospects in marginal fields and enhanced oil recovery.

Towards this end, Petra Energy is enhancing its core competencies and capital resources to tap new market opportunities in East Malaysia - in particular Sabah, including Brunei. The Group's presence in Sarawak (Miri & Bintulu) and W.P. Labuan will be further enhanced to leverage on the existing business opportunities in the State.

###
