

Environmental Policy

PETRA Energy Berhad ('PETRA Energy') has adopted ISO 14001:2015 – Environmental management systems – Requirement with guidance for use as a basis for PETRA Energy to be a sustainable energy company.

PETRA Energy shall establish environmental objectives based on the framework in PETRA Energy's Health, Safety and Environment Management System Manual (HSEMS) to satisfy applicable requirements set by our stakeholders and to achieve Environmental stewardship within our operations.

PETRA Energy commits to:

- Protection of the environment, including prevention of pollution and other specific commitment relevant to the context of the organization
- Regulatory compliance obligations
- Ensure comprehensive plan are in place to deal with any environmental related emergencies
- Continually improve the suitability, adequacy and effectiveness of the Environmental Management System to enhance environmental performance

This policy is applicable to all employees, business associates, and suppliers.
